

**FUNCTIONAL
PLANT FOOD™**

Immune Booster™

1-25-20

PRODUCT INFORMATION

Immune Booster contains NPK and is intended to supplement a well balanced nutrition program. **Immune Booster** also contains fermentation extract of *Bacillus* spp. When applied in accordance with the label, it may help increase plant health and resistance to various diseases.

DIRECTIONS FOR USE

Soil Application: **Immune Booster** can be applied by various irrigation systems including drip, lateral move and over head. Apply 2-3 qts./acre. Begin application after plants are well established. Repeat at 2-4 week intervals.

Foliar Application: **Immune Booster** can be applied by concentrated ground sprayers, dilute sprayers, aircraft and other conventional application methods. Dilute **Immune Booster** in enough water to thoroughly cover plants. Generally, a minimum of 50 gallons of water/acre is needed.

Avocado and Citrus: Apply 2-3 qts./acre as a foliar spray. Begin application in early spring. Repeat at 2-4 week intervals during the growing season.

Strawberries and Berries: Apply 2-3 qts./acre after plants have 2-4 true leaves. Repeat at 2-3 week intervals during the growing season.

Trees and Vines: Apply 2-3 qts./acre after spring leaf flush. Repeat at 2-4 week intervals during the growing season.

Vegetables and Field Crops: Apply 1-3 qts./acre. Begin application after 2-4 leaves appear on seedlings. Repeat at 2-4 week intervals during the growing season.

Ornamentals: Dilute 2/3 fl. oz./gallon of water and spray on foliage to wet. Repeat at 2-3 week intervals.

Greens: Dilute 2 fl. oz. in 3-5 gallons of water per 1,000 ft². Apply at 1-2 week intervals. Irrigate after application.

Fairways: Dilute 1 oz./1000 ft² and apply at 1-2 week intervals. Irrigate after application.

GUARANTEED ANALYSIS

Total Nitrogen (N)	1.0%
1.0% Water Soluble Organic Nitrogen	
Available Phosphoric Acid (P ₂ O ₅)	25.0%
Soluble Potash (K ₂ O)	20.0%

Derived from: Potassium Phosphate, Potassium Polyphosphate and Hydrolyzed Proteins.

CAUTION
KEEP OUT OF REACH OF CHILDREN
